Nurse-Family Partnership **DELAWARE**

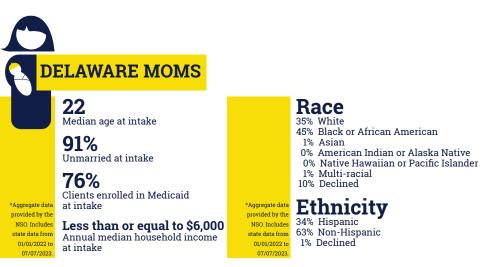

Nurse-Family Partnership[®] is an evidence-based, community health program with over 45 years of evidence showing significant improvements in the health and lives of first-time moms and their children living in poverty.

55X \$ RETURN EVERY \$1 INVESTED IN NFP SAVES \$5.80 IN FUTURE COSTS FOR THE HIGHEST-RISK FAMILIES SERVED'

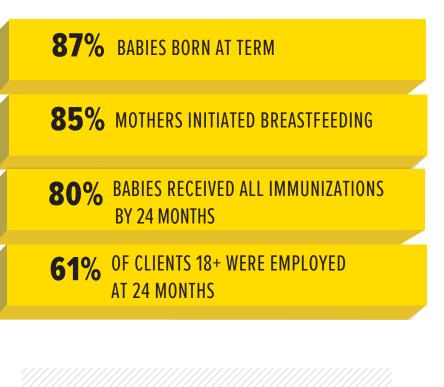

Nurse-Family Partnership works by having specially trained nurses regularly visit young, first-time moms-tobe, starting early in the pregnancy, continuing through the child's second birthday. Mothers, babies, families and communities all benefit.

OUTCOMES FOR DELAWARE

*Aggregate data provided by the NSO. Includes state data from 01/01/2022 to 12/12/2023. *Babies born at term are those who reached 37 weeks gestation

DELAWARE

Nurse-Family Partnership Goals

- Improve pregnancy outcomes by helping women engage in good preventive health practices.
- Improve child health and development by helping parents provide responsible and competent care; and
- 3. Improve the economic selfsufficiency of the family by helping parents develop a vision for their own future.
