NEVADA

Nurse-Family Partnership®
is an evidence-based,
community health program with
over 45 years
of evidence showing significant
improvements
in the health and lives
of first-time moms and their
children living in poverty.

4x \$ RETURN

EVERY \$1 INVESTED IN NFP SAVES \$4.30 IN FUTURE COSTS FOR THE HIGHEST-RISK FAMILIES SERVED¹

Nurse-Family Partnership works by having specially trained nurses regularly visit young, first-time moms-to-be, starting early in the pregnancy, continuing through the child's second birthday. Mothers, babies, families and communities all benefit.

23 Median age at intake

Nurse-Family Partnership Goals

- Improve pregnancy outcomes by helping women engage in good preventive health practices.
- Improve child health and development by helping parents provide responsible and competent care; and
- Improve the economic selfsufficiency of the family by helping parents develop a vision for their own future.
