Dr. David Olds, Founder of Nurse-Family Partnership

Location: Grand Mesa Ballroom DEF, second floor

10:30 am-Noon

Breakout Sessions ONE

1. Nursing Practice

Substance Abuse: Addressing opioid and marijuana use

This session will explore the neurobiology, disease model, and learning model of addiction, with special attention to the epidemiology and biopsychosocial complexity of women with substance use in pregnancy. This session will explore particular concerns related to opioid and marijuana use during pregnancy and breastfeeding.

Speaker: Kaylin Klie, MD, MA, FASAM, *Addiction Medicine Physician at University of Colorado*

Michelle Deuto RN, BSN, RNC, *Recovery Nurse Advocate at SCL Health Lutheran*

Location: Grand Mesa Ballroom ABC, second floor

2. Care of the Caregiver

Understanding Compassion Fatigue, Burnout & Secondary Stress

How we take care of ourselves is important. In this session, we'll have a robust conversation – with some helpful suggestions – about how to take care of the patient inside us all.

Speaker: James Caringi Ph.D., *Professor & Chair at University of Montana School of Social Work*

Location: Wind River, first floor

3. Connections

Meeting Clients Where They Are: Using social media to recruit, engage and retain

Click thumbs up on this session. A much-needed, cutting-edge panel on the benefits – and potential pitfalls – of using social media in our work.

Speaker: Christine Hughes BSN, RN, CLC, BSN, RN, *Supervisor at Home Nursing Agency*

Aketa Williams, *Director at SPITFIRE*

Location: Highlands Amphitheater, first floor

4. Leadership & Management

FAN: A framework for engagement and reflective practice

You'll be a FAN of this sessions, which smartly looks at how to create engagement through reflective practice.

Speaker: Linda Gilkerson

Location: Chasm Creek, second floor

Noon–1:30 pm

Lunch & General Session

Motivating Change with Sesame Street

Can you tell me how to get, how to get to Sesame Street? Yes. We. Can. In this extraordinary session, we'll fondly reflect on the decades of life lessons imparted by Sesame Street - with intelligence, compassion, and kindness to countless generations of young people. We'll also explore the program's value as a leader in understanding children and their needs. Sesame Street is a model for motivating positive living for both children and adults. Together, we'll explore exciting upcoming Sesame Street initiatives, like Sesame Street in Communities, which demonstrates how that model can become a powerful tool for providers and clients alike.

Speaker: Jeanette Betancourt, *Senior Vice President of US Social Impact at Sesame Street*

Location: Grand Mesa Ballroom DEF, second floor

2:00–3:30 pm

Breakout Sessions TWO

1. Nursing Practice

Supporting the Client with Bipolar Disorder

An important panel discussion about successfully supporting clients with Bipolar Disorder.

Speaker: Linda Beeber Ph.D., PMHCNS-BC, FAAN, *Francis H. Fox Distinguished Term Professor and Assitant Dean at the University of North Carolina at Chapel Hill School of Nursing*

Location: Grand Mesa Ballroom ABC, second floor

2. Care of the Caregiver

Trauma-Informed Care & Adverse Childhood Experiences

In this meaningful session, we will discuss critically important findings from the recent NFP survey, existing data and literature, and – most importantly – next steps needed regarding the use of trauma-informed care and adverse childhood experiences strategies in our work.

Speakers:

Elizabeth Orr RN, MSc, Ph.D., a student of McMaster University

Elly Yost RN, MSN, Prevention Research Center at the University of Colorado

Location: Wind River, first floor

3. Connections

Goal Mama: Using new digital tools to engage and retain clients

In 2016, Nurse-Family Partnership teamed up with Hopelab to explore ways to utilize technology to make the program more relevant and engaging to today's clients. As the result of extensive co-design sessions with nurses, clients, and Nurse-Family Partnership leadership, we have developed the Goal Mama mobile app and companion Nurse Dashboard. Come to learn more about the tool; its development and potential use by you in the future!

Speakers:

Dawn Dailey Ph.D., RN, Nurse Manager at Contra Costa Nurse-Family Partnership

Fred Dillon, Senior Director of Strategy and Design at Hopelab

Michael Fergusson, Chief Executive Officer at Ayogo Health Inc.

Sara Lynch (moderator) RN, BSN, MPH, Nurse Educator at Nurse-Family Partnership National Service Office

Kathy Pounds BSN, RN, Nurse-Home Visitor at Gift of Life
