Funding: Nurse-Family Partnership is funded by a range of private and public funding sources, including the Maternal, Infant and Early Childhood Home Visiting program (MIECHV), Medicaid, TANF and public welfare funds, Title V Maternal and Child Block Grant, child abuse prevention, juvenile justice and delinquency prevention, substance abuse and mental health, tobacco settlement, state, city, and county general funds, early childhood/school readiness, pay for success/social impact bonds and private philanthropy, in addition to state and local general funds.

Nurse-Family Partnership Network Partners: The Nurse-Family Partnership National Service Office contracts with and provides support to states and network partners that deliver the Nurse-Family Partnership program. These network partners are public and nonprofit entities, including state and county public health departments, community-based organizations, federally qualified health centers, managed care organizations, nursing associations and hospitals and health systems.

* This data does not include data that the NFP National Service Office does not receive from a state or site.
