Nurse-Family Partnership

Nurse-Family Partnership® is an evidence-based, community health program with over 40 years of evidence showing significant improvements in the health and lives of first-time moms and their children living in poverty.

6X **\$ RETURN** EVERY \$1 INVESTED IN NFP SAVES \$6.60 IN FUTURE COSTS FOR THE HIGHEST-RISK FAMILIES SERVED¹

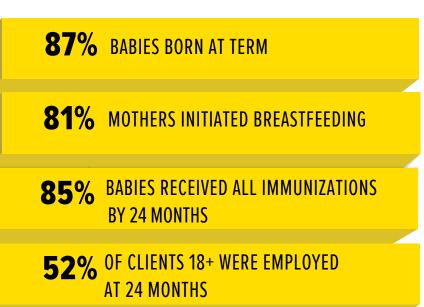

Nurse-Family Partnership works by having specially trained nurses regularly visit young, first-time moms-tobe, starting early in the pregnancy, continuing through the child's second birthday. Mothers, babies, families and communities all benefit.

OUTCOMES FOR ILLINOIS

*Aggregate data provided by the NSO. Includes state data from 01/01/2019 to 12/31/2021 *Babies born at term are those who reached 37 weeks gestation

ILLINOIS

Nurse-Family Partnership Goals

- 1. Improve pregnancy outcomes by helping women engage in good preventive health practices.
- 2. Improve child health and development by helping parents provide responsible and competent care; and
- 3. Improve the economic selfsufficiency of the family by helping parents develop a vision for their own future.
